

An easy option for you and your customers

Whatever product your customer has their heart set on, Black Horse makes it possible for them to take it away. We've created an exclusive finance package for ActSmart subscribers, enabling you to offer your customers flexible payment options to boost your sales.

We don't want the finance to be a struggle which is why our online authorisation system me2u dramatically speeds up the time it takes to process a credit application, usually your customer will be notified within minutes if their application has been approved. Me2u runs within your existing hardware and is very easy to install

– all you need is internet access. **(Please note that me2u users will receive the preferential rate structure detailed below)**

We have created a step by step guide to take you through the four simple stages of me2u installation. Visit our website at www.poscredit4u.co.uk and view our 'abc of me2u' today and see just how easy online authorisation can be.

The terms set out below are exclusive to ActSmart subscribers, so to get on track with a name your customers know and trust, complete the form opposite and fax it back to us straight away.

Interest Free – minimum advance £150
